SUMMARY

I am a third-year undergraduate specializing in Software Engineering at SLIIT with high proficiency in full-stack web development. I am skilled in mobile app development and possess a strong command of both Sinhala and English. Additionally, I have excellent computer literacy and am proficient in multiple programming languages. I am a highly motivated individual with a strong work ethic and a passion for learning new technologies. I am seeking an internship to further develop my skills and gain practical experience in the field of software engineering.
